

Despina Bedovian - Lawyer and Trade Mark Attorney

Bachelor of Business (Marketing & Music Industry)

Bachelor of Laws (Hons)

Masters of Law (Intellectual Property)

Despina is based in our Melbourne Office and has met the qualification requirements for a Trade Mark Attorney. Whilst in the process of obtaining registration, Despina continues to assist MTA Attorneys with a wide range of trade mark and design matters.

Despina was awarded a Bachelor of Business, majoring in Marketing and the Music Industry from Victoria University and subsequently completed a Bachelor of Laws (First class Honours) also from Victoria University. Upon completion of her legal qualifications, Despina was admitted to legal practice in 2010. Subsequent to her admission, Despina commenced a Masters Degree in Intellectual Property (IP) and was awarded same in January 2015 from the University of Melbourne.

During her studies towards her Masters Degree in IP, Despina received the Pinkerton Scholarship for Designs Law and Practice. Prior to joining Murray Trento & Associates, Despina worked in personal injury and immigration law at two leading Melbourne law firms. However, her true passion is Intellectual Property.

Since joining Murray Trento & Associates, Despina has advised clients in both contentious and non-contentious Trade Mark and Domain Name matters and has assisted clients to achieve their strategy regarding trade mark and design rights in Australia, NZ and overseas including the United States, Europe and South East Asia.

In particular Despina has specific experience advising clients in relation to:

- Publishing, consultancy and advisory services;
- Fault detection and location system for manufacturing and processing operations;
- Gambling advisory services including assistance services for problem gamblers;
- Retail services including traditional and on-line;
- Sporting events and management including merchandising;
- Footwear and clothing;
- Homewares and appliances including glassware; and
- Alcoholic beverages including wine.

Despina provides advice to both large and small private clients and government agencies and is focused upon providing strategic advice to all clients of Trade Marks and Designs to achieve the client's objective in the most cost effective manner.
